Chapter 11: The Werewolf at Dawn

So tomorrow, you'll have a knowledge test.
Just to make sure you're not still in vacation
That's all for today
2-A
Zzzzzz
It must really be fate!
You're neighbours again I see!
Dooh
2-B
But a test is troubling
Even if it's only on 3 subjects the content of a whole year is too wide
Seriously, I forgot everything during the spring break.

Still, this vacation was pretty nice
We had plenty of fun with Kurosawa.
If only the spring break could never end.
Yeah
It was fun.
But she's not very good at explaining.
Ah right I could just ask Kuro sawa to teach me!

IN THE END, I DIDN'T MANAGE TO BEAT KUNO-SAWA DURING THIS YEAR.
Yeah, no problem.
Shiramine, could you explain me the maths?

What about you, Shiramine? What did you do during the break?
?
Hmp?!

Thank you, it helps me.
Understood.
Shiramine can you gather the homework and take it to the staff room?
BUT EVEN SO, THAT DOESN'T STOP ME FROM BEING THE "HONOR STUDENT"
It's okay! Look, I'm done!
NOTEBOOK
I can't believe it! You're doing it now?
Err, yeah yeah!
Kurosawa, your homework, please.
Flap
And it's all correct. It's even more irritating
I usually do them at the start of the break.
But I played around and forgot

And stop following me!
ぷり

Can I help you?
I'm fine thanks
I look forward for tomorrow's test!
07
Are you jealous?
That I played only with Uehara and co
NO, I'M, NOT!!
I'VE HAD ENOUGH!!
TOMORROW I'LL BEAT YOU TO THE GROUND SO BRUTALLY THAT YOU'LL CRY AND BEG MY FORGIVENESS!!
Your cries of agony shall be heard all around the School
You're taking like an anime villain shi-ramine.
Really

Spe special ?
Yes
To me, you're still someone special
You have no reason to be so frustrated, you know
I'm telling you it's not that.
After all, you're the one who's gonna beat me, right?
That... That's true, but...
Even if you say that...
In the end...

That means anyone who can beat you would be just fine, doesn't it?

Uh?

You may be right.
バサ
Ayaka
Are you feeling unwell?
I'm fine.
Leave me alone
—So what.. she only said the truth.
And I think the same.

AM I STUPID?!
What was I expecting, exactly?!
But then why did I take this much damage?!
ぐるぐるぐるぐる
ぐるぐるぐるぐる
11
Really?
You're special to me Shira-mine.
Yes.
Even though we can't even become friends...
Yeah, I was expecting a different answer
HAAA...
Even if you're not perfect, you're still wonderful.

I, too..
You know Kurosawa
I, too

Ayaka, you drank my milk again...
IT'S NOT OUT OF LOVE OR ANYTHING, OKAY?!!
What?
I'm being yelled at instead?
Isn't that mean?!
ポス

I HAVE NO REASON TO BE JEALOUS.
Ho

I MEAN...
I TALKED TO HER MYSELF SO THAT SHE WOULD MAKE FRIENDS.
SO I'M NOT GONNA COMPLAIN IF SHE ACTUALLY DID

Did you revise Kurosawa?

Not a bit.
People usually say that even when they did study.
But in Kurosawa's case she's probably not lying.
Me neither
I slept for 10 hours straight!
And I guess Uehara's not lying, either
Does everyone have a paper?
Why does it irritate me so much?
That again...
HMM
You can start!

ほか
Pshhh
ほか
WHY?
You'd better rest, don't you think?
Because anyone can see you have a fever.

I can take your sheet for you, you know

Sorry
I've got to go
Hah...
They're giving the tests back today
Even though you're too lazy to even put contacts in.
I just feel like wearing glasses, is all
That's because you overwork yourself before the tests

Yeah
I'm counting on you.
Ah, Moe?
I'm accompanying Ayaka, so I'll be a little late.
for morning practice

With quite the fever, it seems.

And I want you to teach me.
That I'm nothing more than a normal gi...
Is that all you have to say?!
If so, then you can keep your praises!

You don't like to be ignored after all
Do you want me to praise you more?
Why are you saying this?
Shiramine
Isn't that right?

If you're satisfied with just that, then I don't need you.
レ

When did I say I was satisfied?

I've finally understood what irritated me so
Doesn't it bother you even a little that you've lost?
You ask me to give it my all.
But in the end, I'm the only one who takes this seriously.
How could I be happy with that?
ボスッ

Your "genius" isn't worth more than that!
If you really want me to beat you thoroughly...
Then show me how serious you can be!!
